

DECEMBER 18, 1807.

---

Read the first and second time, and committed to a committee of the whole House, on Monday next.

---

## A Bill,

To extend certain privileges as therein mentioned to Anthony Boucherie.

---

1    Sec. 1. *BE it enacted by the senate and house of representatives of*  
2 *the United States of America, in congress assembled, That two*  
3 *years residence as required by an act, entitled "An act to ex-*  
4 *tend the privilege of obtaining patents for useful discoveries and*  
5 *inventions to certain persons therein mentioned, and to enlarge*  
6 *and define the penalties for violating the rights of patents," shall*  
7 *not be required of Anthony Boucherie, to enable him to obtain a*  
8 *patent for any discovery he has made in the art of manufacturing*  
9 *sugar, but that he shall obtain a patent therefor, on his conforming*  
10 *to the other requisitions of said act.*
